As a former University of Michigan football player and member of the Football Alumni of Michigan, I am proud to lead an organization that supports our fellow alumni in their post-athlete lives. Our all-volunteer 501c3 non-profit tax-deductible organization is dedicated to fostering a sense of brotherhood and community among our alumni.

I want to personally thank you for considering making a donation to the FAM. Your contribution will have a significant impact on our **Teammate Assistance Program (TAP)**, which provides crucial support to alumni when they need it the most. This program offers assistance in areas such as health care, legal aid, career guidance, and financial support. With your help, we can expand the program next year to include mental health assistance and education for the entire family.

I personally know the impact that our time as college football players had on our lives, and the lasting bonds we formed. Let's come together once again as **One Team, One Legacy**, and support each other through the Football Alumni of Michigan. Your support is greatly appreciated.

Thank you and Go Blue,

*Andy Borowski*

Chairman, Football Alumni of Michigan
